

Washington Hospital Healthcare System Cash Discount Policy for Uninsured and Underinsured Patients

Purpose

The purpose of this policy is to provide cash discounts to the uninsured individuals who receive facility services at Washington Hospital as defined below. This policy is consistent with our mission statement and reflects the District's commitment to providing quality care to all of its residence regardless of their ability to pay.

Policy

Non District residents who are uninsured (self pay) or underinsured are eligible for cash discount of 35% of facility charges.

Washington Hospital District residents are eligible for an additional 10% cash discount totaling 45% of facility billed charges. Documentation of residence within the district is a requirement. Documentation may include a Utility Bill such as PG&E or Water Bill where the patient's name and address appears.

Definitions

Uninsured Patients (self pay) A patient whose services that are not covered by a health insurer, health case service plan, Medicare, Medi-Cal, Worker's Compensation, automobile insurance, or other insurance plan as determined and documented by Washington Hospital.

Underinsured Patients Patients insured under a government or commercial health plan and whose financial responsibility for medical costs is based on Commonwealth Fund criteria which as follows;

- Persons who spend 10% or more of their individual income on out of pocket medical expenses, or
- Persons who pay deductibles of 5% or more of family income, or
- Persons who would otherwise qualify under our financial assistance program

Those who do not meet the above criteria will be reviewed on a case by case basis.

Procedure

Discounts are offered at time of service or during collection process.

Scheduled elective services that are eligible for discounts are to be paid in full before services are rendered.
