38th Annual Golf and Bocce Tournament

MONDAY, May 12, 2025

Club at Castlewood

Members Only Golf Course in Pleasanton

A FOND FAREWELL — Join & celebrate with us and share in decades of legacy

For decades, the Washington Health Foundation Golf Tournament has brought our community together, creating lasting memories while making a meaningful impact on Washington Health patients. After much consideration, the Washington Health Foundation Board has decided that this will be our final tournament. As we shift our focus to better meet Washington Health's most critical needs in the years ahead, we invite you to be part of this historic farewell tournament.

Join us in celebrating the legacy of this beloved event and help us make a lasting impact in our community by supporting state-of-the-art surgical equipment and technology for Washington Health's Trauma Center and Operating Rooms. Since its inception in 1985, the tournament has been a cornerstone of our fundraising efforts, raising over \$4 million to support critical program and equipment needs to ensure our community can access the highest-quality health care locally. This is your opportunity to leave an lasting legacy on our community by considering a Platinum or Gold Sponsorship, knowing your generosity will continue to benefit our patients for years to come.

Thank you for being part of this journey. Let's make this last tournament one to remember!
